Offer and module descriptions

Food stands

Food stand options are categorized as follows:

1. Indoor food stands (inside the building)
2. Outdoor food stands (tents not provided by organizer)
3. Mobile food units (food trucks, carts)

Food stand vendors must provide the following information:

1. For all food stands:
 - Electricity requirements for the stand
 - Need for parking, unloading, or loading
2. For indoor food stands only:
 - Stand dimensions
 - Number of tables and chairs needed

Pricing from 2000 to 2500 PLN/netto per stand

Due to the complex and often individual nature of food service setups, we contact interested food vendors via email or phone to arrange details, ensuring we can give you the warmest possible welcome to our event! :)
